

## **Nurture Committees Mars Hill Church**

Below are the leaders of our various Nurture committees and a brief description of their purpose in helping others. If you see one or more committees you are interested in helping, please reach out to the leader or Kris Lalk. Thank you!

Paula Walls

### **Card Committee**

Our card ministry sends cards in response to prayer requests related to health, personal concerns, and death. Also, there are members who have long-term health concerns who receive a card of encouragement once a month. We love to send cards to congratulate new births, graduations, marriage, and other memorable occasions. We also want to remember our members' birthdays and anniversaries with a cheerful card. Contact Paula at 770-639-2692.

Ann Johnson

### **Prayer Group**

Interested in praying for our members? We meet every Thursday. Contact Ann at 770-877-2786.

Carolyn Frost

### **Driving Miss Daisy**

Assist church members to church, church functions, doctor appointments and errands as requested. This is such a special ministry, and we would love to have some helpers. Contact Carolyn at 770-713-9793.

Julie Graiser

### **Nursing Committee**

Congregational Nursing is not just for nurses! We focus on the health and wellness of our church family: managing the AED machine, coordinating events such as Breast Cancer Awareness, Life Line Screening, occasional blood pressure clinics, blood drives and such. We'd love to have you join us! Contact Julie at 404-276-2146.

Kris Lalk

### **Home Meals Delivery**

At certain times in all of our lives, due to health conditions, we cannot prepare meals. Then our church members will deliver a meal either home cooked or purchased to the hurting church member in need. A simple meal is so appreciated! We would love to have you come cook with us! Contact Kris at 678-644-8590.

### **Home Visitation**

Sign up to visit a shut-in church member at least once a month. Take communion cups if the member desires. You will receive a call about who to visit. You may sign up for as many/few months as you like. Contact Marci at 404-660-5177.
