Upon enrollment, families need to recognize that this is a Christian based program and both the New and Old Testaments of the Bible will be used in our lessons and activities.

In the event there is insufficient enrollment to keep a class open, the parents will be given a two-week notice and given the option of placement in another class provided there is an age-appropriate available opening. If no opening exists, the parents will have the option of being placed on a preferred waiting list for the next available opening or having the registration fee refunded.
